ROSEMONT'S Patented Everblooming ROSES

ROSES ARE SCARCE—ORDER EARLY

Rose-lovers owe a debt of gratitude to the Rose hybridists who are constantly striving to produce new and improved Roses. Most of you know what "old faithfuls" like Radiance, Red Radiance, etc. will do in your garden, but a bigger thrill awaits you if you add these new Patented Roses to your garden collection. You will be delighted with the new plant habits, better form and better color that distinguish these Patented varieties. Our supply is limited, so better order now!
